- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.

Local School District

Charlevoix Public Schools
Operating Millage Proposal

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Charlevoix Public Schools, Charlevoix and Antrim Counties, Michigan, be increased by 3 mills ($3.00 on each $1,000 of taxable valuation) for a period of 2 years, 2027 and 2028, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 0.1981 mill is levied in 2027 is approximately $145,463 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?

- **Yes**
- **No**
